PROSPECTUS OF THE SOUTHERN PATRIOT,
TO BE PUBLISHED AT GREENVILLE, S. C.

It is proposed to issue an Independent Tri-Weekly and Weekly Newspaper in the Town of Greenville, S. C., to be styled "THE SOUTHERN PATRIOT," devoted to commerce, Agriculture, Manufactures, Politics, Literature, Science, and the general improvement of the country in all her Industrial Pursuits—defending the Rights of the South, the Federal Constitution, and the Integrity of the Union of the States—and opposing the Anti-Republican ruinous and corrupting policy of South Carolina's continuing in the hazards and speculation of Banking.

"The Southern Patriot" has originated with, and belongs to an association of gentlemen who own nearly a thousand slaves and are worth several hundred thousand dollars.—This should be regarded by the community, independent of their honor their lives and characters, as some guaranty of Fidelity to the South, and at least as an earnest of their interest in the Justice, Wisdom, and Stability of the Government.

The Proprietors are under the impression that the growing importance of our Town—its heavy Mercantile and Manufacturing business, the anticipated Railroad facilities, and our present Mail arrangements, together with the general Intelligence, Prosperity and Patriotism of our District, must insure the success of a Tri-weekly Newspaper—giving to the business community the news and Telegraphic Despatches, sooner than they can be received through the Tri-weekly city papers.

The undersigned have been charged by the Proprietors, with the Editorial Department of "The Southern Patriot." It is not without reluctance that they assume this grave responsibility; but having done so, neither time, labor, nor energy, shall be wanting to make the Paper worthy of public patronage. Arrangements will be made to have Correspondents in Washington and other cities—giving intelligence in advance of the press—and the Prices Current, and state of the Charleston, Columbia, Hamburg and Greenville Markets will be regularly and correctly quoted.

"THE SOUTHERN PATRIOT" will be issued on superior paper, neatly and beautifully printed, with new and clear type, at Three Dollars per annum for the Tri-weekly, payable in advance. The Weekly Paper will be a large sheet, containing substantially the same matter as the Tri-weekly, for One Dollar and Fifty Cents per annum, payable in advance. This will be the cheapest Newspaper of its size and quantity of matter in South Carolina—and is intended to reach those points of the country whose mail facilities are limited.

Any agent forwarding ten subscribers to either paper, shall receive a copy gratuitously.

The publication of "THE SOUTHERN PATRIOT" will commence on the first of January next.

GODEY'S LADY'S BOOK FOR 1850.

"THE BOOK OF THE NATION"
The Oldest Magazine in America.
EDITED BY MRS. SARAH J. HALE.
COMPARISON BETWEEN GODEY AND THE OTHER PHILADELPHIA MONTHLIES.

In 1848, the Lady's Book gave 916 pages—while 116 more than one, and 148 more than the other Philadelphia monthly. He gave 281 engravings—among which were 20 colored, and 93 full pages—which is 136 more than one, and 180 more than the other.

We give, in each number, a piece of music, printed separately on tinted paper, 24 pages, or twelve pieces in a year. To show the cheapness of the Lady's Book, this music, if bought separately at the music stores, would cost exactly the price of the whole year's subscription—\$3.

SOME OF OUR PECULIAR EMBELLISHMENTS.—Ladies work table—richly embroidered, kind of needle-work embroidery, knitting, netting, crochet, patterns for capes, chemises, children's clothes, wedding-dresses, in-door and out-door costumes; birds of America; colored flower plates; model cottages and furniture; fashionable doll-work; Vignette plates at the head of articles etc., etc. All the above are illustrated by engravings.

And, in 1850, will also be given a set of engravings, illustrative of the costumes, of all nations with descriptions by Mrs. Hale. Most of the old features of the Book that were so popular last year, will be retained, and new ones added as they suggest themselves to the publisher.

A NEW NOVEL BY W. GILLMORE SIMMS.
Will be one of the best, as for 1850.

We have long stood at the head of the Magazine world for our contributions; they are always moral and instructive, and such as may be placed before a family without hesitation. This department is under the control of Mrs. Sarah Josepha Hale, whose name is a sufficient guarantee for the propriety of the Lady's Book. We may say the same of our engravings. We will never, as is done by a cotemporary, publish indecent model artist pictures, such as no parent would allow a child to look at.

Godey's Lady's Book for 1850 shall surpass that of 1849, and exceed all magazines, past, present, and to come.

Terms: \$3 a year in advance, postage paid.
